Indian Bar & Restaurant

Healthy options available

Each dish that is prepared at Flavor's has its own distinctive flavour and aroma which can not be gained from the use of a curry powder. We use the freshest ingredients, prepared uniquely and individually for each dish. These are sculpted by our expert Chefs, creating cuisine that is truly authentic. The aroma and taste that is produced from the fusion of these premium ingredients results in a meal you will not find elsewhere.

It is a great myth that all Indian cuisine is extremely hot and spicy. Many of the dishes that are available, such as Tikka Mossala, Korma & Handi Badami & Balti Murgh Makhani are very mild. These can be enjoyed by those with a delicate palate or those who are not accustomed to highly spiced food.

We trust that you will find a dish from the wide selection available that appeals to you. We also have included a few more exciting new dishes, however if you have a particular favourite which is not on our extensive menu or would like to amend the strength / ingredients of a dish, please feel free to ask any member of our courteous staff. We also cater for any special dietary requirement such as low fat dishes.
